Enterprise Introduction

Welcome to Lennox bathroom. Our promise is superior service, using quality products, at a fair price. We provide this service to our customers through our net work of three branches and showrooms in **Auckland Hamilton Christchurch** and **Dunedin Nelson**.

Lennox Bathroom was established in 2002 with goal to provide quality range of bathroom accessories, showers, vanities, toilet, heated towel rails, mirrors and tapwares to the consumer and trade professional. The company has grown rapidly over the past 10 years based on the quality and integrity of our product service. Satisfying customer demands has seen our products installed through out the whole of New Zealand.

If there are any products you require which are not in our catalog, please contact us as we have a broad range available.

Clean look, hygiene and a lifetime of usage. Stainless steel counter tops are by far the most used type metal counter tops. Heavy duty, but also delicately beautiful, these items will look good with appliances in a home or in an industrial kitchen / Workshop.

Also provides high quality MDF (medium density fiberboard) as the base for your counter top. These are much stronger and have much more quality than regular plywood or particle board.
